

## Year 6 Creative Curriculum - Summer Term 2017

<p style="text-align: center;"><b>English</b></p> <p>During this term, we will be creating and writing in a range of formats using texts and videos as a stimulus.</p> <ul style="list-style-type: none"> <li>- Adventure Stories - Basing our writing on the text, The Railway Children by E Nesbit;</li> <li>- Rudyard Kipling's Jungle Book;</li> <li>- Instructions and explanations linked to transition to secondary and science;</li> <li>- Theatre productions.</li> </ul> <p>We will be continuing to learn:</p> <ul style="list-style-type: none"> <li>- To propose changes to vocabulary, grammar and punctuation;</li> <li>- To create and use a range of sentence structures;</li> <li>- To write by using a wide range of devices to build cohesion;</li> <li>- To use vocabulary and structures appropriate for dialogue;</li> <li>- To evaluate and edit by ensuring correct tense throughout a piece of writing.</li> </ul> 	<p style="text-align: center;"><b>Maths</b></p> <p>Throughout this term, the areas in maths that will be of focus include:</p> <ul style="list-style-type: none"> <li>- Place Value</li> <li>- Addition and Subtraction</li> <li>- Multiplication and division</li> <li>- Algebra</li> <li>- Games linked to reasoning in maths</li> <li>- Money Sense with Natwest - Fraud investigators</li> <li>- Enterprise</li> <li>- Maps involving co-ordinates, movement, angles</li> </ul> <p>Children will be taking part in a range of problem solving activities and puzzles as well as ensuring that they are ready for secondary school in all areas.</p> 	
<p style="text-align: center;"><b>Science Theme: Evolution and Inheritance</b></p> <p>Within the theme of Evolution and inheritance, the children will be learning to:</p> <ul style="list-style-type: none"> <li>• recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago;</li> <li>• recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents;</li> <li>• identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.</li> </ul> 	<p style="text-align: center;"><b>PE</b></p> <p>For outdoor PE learning, children will be taking part in athletic activities which will prepare them for Sports Day and Cricket after May half term. For their indoor learning, the children will be taking part in Real PE schemes of work to help develop agility, balance, and co-ordination.</p>	<p style="text-align: center;"><b>Science Theme: Healthy Bodies</b></p> <p>Whilst investigating the theme of Healthy Bodies, children will be taught to:</p> <ul style="list-style-type: none"> <li>- identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood;</li> <li>- recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function;</li> <li>- describe the ways in which nutrients and water are transported within animals, including humans.</li> </ul> 
<p style="text-align: center;"><b>Design and Technology</b></p> <p>Through the theme of healthy bodies, children will be focussing on nutrition and cooking, and learning to:</p> <ul style="list-style-type: none"> <li>- understand and apply the principles of a healthy and varied diet.</li> </ul> 	<p style="text-align: center;"><b>Italian</b></p> <p>This term, Italian will be taught by Maestra Stefania. They will be revising vocabulary learnt so far this year and then continuing with learning new vocabulary for everyday objects and phrases including words linked to Summer.</p>	<p style="text-align: center;"><b>PSHE - Jigsaw</b></p> <p>During the first half term, children will be learning about relationships through PSHE lessons. They will be thinking about their relationships with others, love, loss and how to stay safe with electricity. During the second half term, children will learn about changes they go through as they grow. They will learn about self-image, puberty, 'Girl/Boy talk', conception and birth, attraction and transition to secondary school.</p>
<p style="text-align: center;"><b>Music</b></p> <p>As part of year 6 music this term, we will be focussing on the song 'Fresh Prince of BelAir' as well as learning songs for the end of year production. Children will learn to listen and appraise music, sing along to well known songs, play instrumental parts, improvise using voices, and create their own compositions.</p>	<p style="text-align: center;"><b>Computing</b></p> <p>Children will cover:</p> <ul style="list-style-type: none"> <li>- Issues around digital photography and the sharing of images.</li> <li>- How and why to maintain privacy online.</li> <li>- How to deal with instant messages and text messages.</li> <li>- Sending and receiving e-mail.</li> <li>- Commenting on blog posts.</li> <li>- Writing blog posts of their own.</li> </ul> <p>Much of this will be done through the use of our John Rankin's learning platform, DB Primary.</p>
